

The Staff of the Public Service Commission of South Carolina ("PSC") is holding workshops regarding the Formal Review of Its Regulations Pursuant to S.C. Code Ann. Section 1-23-120(J). During our last workshop, which covered Sewerage Utilities and Water Utilities, we believed it prudent to extend the review of wastewater disconnect procedures. As a result, the PSC Staff has scheduled a virtual workshop to review **S.C. Code Ann. Regs. 103-535.1 Notice Prior to Discontinuance of Service** on Wednesday, May 12, 2021 at 10:00 A.M.

In Regulation 103-535.1 references providing notice to the appropriate county health department and to DHEC's Division of Environmental Health. The text of the regulation reads:

103-535.1. Notice Prior to Discontinuance of Service.

Before any sewerage service may be discontinued, the utility must give thirty (30) days written notice to the customer, by certified mail, verified email receipt, or hand delivered by staff/process server unless R.103-535.A is applicable, with copies forwarded to local Bureau of Environmental Health Services ~~the appropriate county health department~~ and the ORS. At the expiration of the thirty (30) day period, the utility shall post a second notice by certified mail, verified email receipt, or hand delivered by staff/process server to the customer advising that in not less than 10 days nor more than 30 days, his service may be discontinued at any time without further notice. ~~If After~~ the physical disconnection of any sewerage service, will cause a violation of the SC Pollution Control Act by allowing pollution of the environmental [SECTION 48-1-90. (A)(1)], the local Bureau of Environmental Health Services ~~Division of Environmental Health~~ of the South Carolina Department of Health and Environmental Control and the ORS shall immediately be notified of the action and the name and address of the customer. Service will be terminated only on Monday through Thursday between the hours of 8:00 A.M. and 4:00 P.M., unless provisions have been made to have someone available to accept payment and reconnect service. The utility must inform the customer in the notice that the customer can contact the ORS if the customer disputes the discontinuance of service.

SECTION 48-1-90. Causing or permitting pollution of environment prohibited; remedies.

(A)(1) It is unlawful for a person, directly or indirectly, to throw, drain, run, allow to seep, or otherwise discharge into the environment of the State organic or inorganic matter, including sewage, industrial wastes, and other wastes, except in compliance with a permit issued by the department.
